2.2.10. Dates (start date and end date) of the placement of securities or procedure for determining such dates:

Start date for the placement or procedure for determining the start date:

The placement of the Bonds shall not begin earlier than two weeks after the disclosure of information concerning the state registration of the issued Bonds and concerning the procedure for providing access to information contained in the Securities Prospectus.

The period of two weeks specified above shall commence as of the publication of an announcement in the Izvestia newspaper, provided that information is disclosed in the order described below.

Information concerning the state registration of the issued Bonds shall be published by the Issuer in the form of a statement of material fact entitled "Information About Stages of the Procedure for Issuing Securities" (information concerning the state registration of the issued securities) within the periods listed below after the date when information concerning the state registration of the issued Bonds is posted on the registration agency's webpage or after the date when the Issuer receives from the registration agency the written notice of the state registration of the issued securities by mail, by facsimile transmission, by electronic mail, or by delivery against receipt, whichever date occurs first:

- *in the case of disclosure through the newswire of Interfax or any other news agency authorized by the federal executive authority in charge of the securities market to publish information that is subject to disclosure in the securities market through a newswire ("by newswire"), not later than one (1) day;*
- *in the case of disclosure on the Issuer's webpage at <http://www.holding-mrsk.ru/investors/info/>, not later than two (2) days;*
- *in the case of disclosure in the Izvestia newspaper, not later than ten (10) days.*

In this regard, publication on the Issuer's webpage and in the Izvestia newspaper shall follow publication by newswire.

In the event that, at the time of occurrence of any event that is subject to disclosure by the Issuer in accordance with the applicable federal laws and legal regulations of the federal executive authority in charge of the securities market, any procedure or period for disclosing information about such event is prescribed other than that specified in the Decision on the Securities Issue and the Securities Prospectus, then information about such event shall be disclosed in accordance with the procedure and within the period provided for in the federal laws and legal regulations of the federal executive authority in charge of the securities market that are in force and effect at the time of occurrence of such event.

The start date for the placement of the Bonds shall be determined by the Issuer's authorized body after the state registration of the issued Bonds and shall be disclosed by the Issuer in the form of a statement of the start date of the placement of securities within the periods listed below:

-in the case of disclosure by newswire, at least five (5) days prior to the start date of the placement of the Bonds;

-in the case of disclosure on the Issuer's webpage at <http://www.holding-mrsk.ru/investors/info/>, at least four (4) days prior to the start date of the placement of the Bonds.

In this regard, publication on the Internet shall follow publication by newswire.

The start date for the placement of the Bonds determined by the Issuer's authorized body may be changed pursuant to the decision adopted by the same management body of the Issuer, provided that the requirements are complied with in relation to such procedure for disclosing information concerning a changed start date for the placement of the Bonds as set forth in the laws of the Russian Federation, the Decision on the Securities Issue, and the Securities Prospectus.

Procedure for determining the end date for the placement:

The end date for the placement of the Bonds is the earlier of:

- 1) *the seventh (7th) business day after the start date of the placement of the Bonds;*
- 2) *the date when the last issued Bond is placed.*

In this regard, the end date for the placement may not be later than one year after the state registration of the issued Bonds.

2.2.11. Other terms and conditions of the placement of securities as defined in the placement decision:

The total par value of the Bonds shall be seven billion (7,000,000,000) rubles, and they shall be placed through a public offering at a price equal to one hundred (100) percent of the par value of the Bonds equal to one thousand (1,000) rubles per Bond.

The Bonds shall be placed through purchase and sale transactions in the process of MICEX Stock Exchange trading at the offering price of the Bonds. Payment for the placed Bonds shall be made in cash in the currency of the Russian Federation by bank transfer. Payment for the Bonds may not be made in installments. Other terms and conditions of the placement of the Bonds are contained in the Decision on the Securities Issue and the Securities Prospectus.

Any expenses in connection with making credit entries for initial holders' (acquirers') placed securities

deposited in a custody account with a depository (responsible for the centralized custody of the Bonds) shall be paid by such initial holders of the Bonds.

Income from the Bonds shall be paid in the form of interest on the par value of the Bonds. Income from the Bonds shall be paid for certain periods (coupon periods). The number of coupon periods is ten (10).

The redemption date for the Bonds is the one hundred, eight hundred twentieth (1,820th) day after the start date of the placement (hereinafter, the "Bond Redemption Date"). The Bonds shall be redeemed and income related thereto shall be paid in cash in the currency of the Russian Federation by bank transfer in favor of holders of the Bonds. No holder of the Bonds may choose any redemption method for the Bonds. The Bonds shall be redeemed and coupon income related thereto shall be paid by a paying agent acting on the instructions and at the expense of the Issuer (hereinafter, the "Paying Agent") on the Bond Redemption Date. If the Bond Redemption Date falls on a nonbusiness day, whether a public holiday or a day on which settlement operations are not conducted, then the amount due shall be paid on the first business day following such nonbusiness day. No holder of the Bonds shall be entitled to demand that interest accrue or any other compensation be paid for such delay in payment. The Paying Agent shall, on the Bond Redemption Date, pay the amounts due by bank transfer into the accounts of the persons authorized to receive the redemption value of the Bonds in favor of the holders of the Bonds specified in the List of Holders and/or Nominee Holders of the Bonds. In the event that one person is authorized by several holders of the Bonds to receive the redemption value of the Bonds, then the total amount shall be paid to such person without being broken down into amounts payable to each holder of the Bonds. The start date and end date for the redemption of the Bonds shall fall on the same day.

The Bonds are redeemable earlier at the request of their holders and at the option of the Issuer.

Any holder of the Bonds shall have the right to demand that the Bonds be redeemed earlier and such holder receive the accrued coupon income related to the Bonds and calculated as of the date of performance of the obligations to redeem the Bonds earlier if the Bonds are delisted from all of the stock exchanges that have included the Bonds on their quotation lists, provided that the Bonds were previously included on Quotation List V on any of the stock exchanges.

Any holder of the Bonds shall also have the right to demand that the Bonds be redeemed earlier and such holder receive the accrued coupon income related to the Bonds if:

- the performance by the Issuer of its obligations to pay any coupon income related to the Bonds is delayed for more than seven (7) business days from the due date of such coupon income specified in the Decision on the Securities Issue and the Securities Prospectus;

- the performance by the Issuer of its obligations to pay any coupon income related to any of the Issuer's bonds issued in the Russian Federation is delayed for more than seven (7) business days from the due date of such coupon income specified in the Decision on the Securities Issue and the Securities Prospectus;

- the Issuer declares that it is not able to perform its financial obligations related to the Bonds;

- the performance by the Issuer of its obligations to redeem (including redeeming earlier) any bonds issued by the Issuer in the Russian Federation is delayed for more than thirty (30) business days;

- holders of any other bonds issued by the Issuer and/or secured by the Issuer as a surety demand that such bonds, including, but not limited to, ruble bonds, foreign currency bonds, and Eurobonds, whether they have already been placed or will be placed in the future, be redeemed earlier in accordance with the terms and conditions of their issue (provided, however, that the acquisition by the Issuer of any outstanding bonds upon agreement with and/or at the request of their holders with the potential subsequent trading in such bonds shall not entail the right to demand the early redemption of the Bonds).

The Bonds shall be redeemed earlier at the option of the Issuer as provided for in the Decision on the Securities Issue and at the request of their holders at a price equal to 100% of the par value of the Bonds. This price shall be paid together with the accrued coupon income related to the Bonds and calculated as of the date of performance of the obligations to redeem the Bonds earlier in accordance with the procedure set forth in the Decision on the Securities Issue and the Securities Prospectus. The Bonds shall be redeemed earlier at the request of their holders and at the option of the Issuer by the Paying Agent acting on the instructions and at the expense of the Issuer. No early redemption may precede the date of the state registration of the Bond Issue Report or, if the Bonds are issued without the state registration of the securities issue report in accordance with the Federal Law "On the Securities Market" or any other federal laws, the date of submission by the Issuer of the Notice of the Bond Issue to the registration agency and the date when payment for the Bonds is made in full. If the date of early redemption of the Bonds falls on a nonbusiness day, whether a public holiday or a day on which settlement operations are not conducted, then the amount due shall be paid on the first business day following such nonbusiness day. No holder of the Bonds shall be entitled to demand that interest accrue or any other compensation be paid for such delay in payment. The Paying Agent shall, on the date of early redemption of the Bonds, pay the amounts due by bank transfer into the accounts of the persons authorized to receive the early redemption value of the Bonds in favor of the holders of the Bonds specified in the List of Holders and/or Nominee Holders of the Bonds. In the event that one person is authorized by several holders of the Bonds to receive the early redemption value of the Bonds, then the total amount shall be paid to such person without being broken down into amounts payable to each holder of the Bonds. The start date and end date for the early redemption of the Bonds shall fall on the same day. If the Bonds are redeemed earlier, their par value and accrued coupon income related thereto shall be paid in Russian rubles by bank transfer.

Other terms and conditions of and the procedure for the early redemption of the Bonds at the option of the Issuer and at the request of their holders are contained in the Decision on the Securities Issue and the Securities Prospectus.

2.2.12. Preemptive right granted to the issuer's shareholders and/or any other persons to acquire securities: *the preemptive right to acquire the placed securities is not granted.*

2.2.13. *The Issuer is obligated to disclose information following each stage of the procedure for issuing securities.*
